What our members say

“DMCC was chosen for three main reasons: the location, the flexibility & level of service that was offered, and the proximity to our employees. We are importing a lot of goods and being at DMCC is a blessing. The flexibility has an impact directly on sales.”

Kolia Neveux, Managing Director - Middle East & Africa, Bvlgari

“The geographical location and transportation of DMCC is very convenient. It is close to Sheikh Zayed Road, the main transportation artery of Dubai. It is also close to the subway station.”

Chen Xiugui, SEPCO

“In 2009, Mercuria decided to open an office, a trading hub in Dubai through DMCC free zone. DMCC was a perfect fit.”

Ghazi Abu Al-Saud, Mercuria Energy

“DMCC has been a great partner and I think as an entrepreneur, ideas will only remain ideas unless you can get the other parties involved that help you influence that outcome to get behind you.”

Ravi Bhusari, Duplays

A photograph of the Dubai skyline at dusk, featuring several prominent skyscrapers. The central focus is the Burj Khalifa, which is illuminated with blue lights. To its left and right are other modern buildings, including the BurjDubai and the BurjDubai 2. The sky is a deep blue, and the buildings' lights are reflected in the water in the foreground. The DMCC logo is positioned in the top right corner.
